Prescribed Fire Techniques for Wildlife: A Training for Private Landowners

February 28-29, 2012

UF/IFAS Leon County Extension Office

615 Paul Russell Road, Tallahassee, FL 32301

This training is designed to provide private landowners with basic information on wildlife habitat management opportunities associated with prescribed fire in Florida. It includes sections addressing how ignition plans can be developed and implemented to meet specific wildlife objectives while minimizing risk.

Registration \$45

Deadline for Registration February 20, 2012

Training Participants Qualify for Certified Prescribed Burn Manager CEUs

To view training schedule or to register go to fltws.org
