

Florida PLT Memorial and Recognition Giving Program

The PLT Memorial and Recognition Program offers a meaningful way for educators and natural resource professionals to celebrate and remember colleagues, friends and loved-ones whose passion for conservation education impacts the lives of so many. Tax-deductible contributions can be made directly to Florida PLT in memory of those special individuals, or in recognition of those who continue to share their enthusiasm and educational ideals.

Family and friends can make contributions in lieu of sending flowers or cards for funerals, or in recognition of special occasions and accomplishments such as winning PLT's Educator of the Year award. Acknowledgement and Donor Thank You Cards are sent in response to each tax-deductible contribution received to the giver and to the person or family remembered. A list of those recognized and remembered through donations will be posted on the Florida PLT web site and in our annual report.

Enclosed is my check* for \$ _____ payable to: University of Florida Foundation—SHARE.

Donor Name(s) _____ Telephone _____

Address _____ City _____

State ____ Zip _____ Email _____

*Donations can also be accepted via credit card.

_____ Check here if you would like PLT Central to contact you to obtain this information.

Contribution In Memory of: _____
